You are invited to be a part of an important discussion taking place right now in **East Coventry Township**: How can we enhance the quality of life in our community through parks, recreation and open space?

We've heard from many of you through public meetings, an online survey and interviews. You've told us what you think is important to East Coventry. Hear about the recommendations made in the draft plan and give us your feedback. You can view the draft plan here:

Please join your fellow citizens from the project advisory committee in discussing this important topic! This is your chance to help shape your community!

We hope to see you there!

You may also wish to participate through the survey:
