

Got grass? Mow high!

Make your lawn easier and cheaper to maintain by mowing high – **three inches** – is the rule! The roots of your

lawn grow as deep as the grass grows tall, so taller grass has deeper, healthier roots. Keep your lawn 3" or higher and never cut off more than 1/3 of the blade each time you mow. A healthy lawn tolerates hot, dry weather better – so you won't need to spend your summer watering and fertilizing. Mow high! **Save time and money.** It's that **easy.**
