

PUBLIC NOTICE

NOTICE is hereby given that East Coventry Township will be hosting two open houses for the public to meet with Pennsylvania American Water, the Township's preferred bidder on the potential sale of its sanitary sewer system. These open houses are the next step in the Township's evaluation process and provide the public with an opportunity to meet with the people who may be serving our community, should the Township decide to proceed with selling its system. Pennsylvania American Water will be there to share information on its services, environmental stewardship, operations, payment options, customer assistance programs, and rates as well as answering questions from the public. The open houses will be held on Wednesday, July 26, 2023 from 1:00 to 3:00 PM and 6:00 to 8:00 PM at the Ridge Fire Company, 480 Ridge Road, Spring City, PA.

Eugene C. Briggs

East Coventry Township Manager
